Christmas Stroll features parade, tree-lighting ceremony, drawings, Festival of Trees and much more

Anaconda's Christmas Stroll, the Smelter City's signature event during the holiday season, is just a couple days away and it's set to start at its usual place and time – Friday, Nov. 28 at Kennedy Common – with all the same Christmastime favorites including the Lighted Christmas Parade, the Stroll Button drawing, and of course the lighting of the town's Christmas tree.

Yet while Santa will still light the tree at 6 p.m., this year he'll do so under the brick "Anaconda" archway entrance to Kennedy Common at the corner of Main and 3rd streets, while the stroll-going public will gather on the streets and sidewalks outside the common due to ongoing construction at the park.

As to the stroll itself, it all starts at 5:30 p.m. Friday, Nov. 28 with the Light Parade down Main Street (parade lineup will be at 5 p.m.). At the common there will be live music presented by

Anaconda's iconic tree-lighting ceremony, pictured here in 2024, will be held under the archway at Kennedy Common this year.

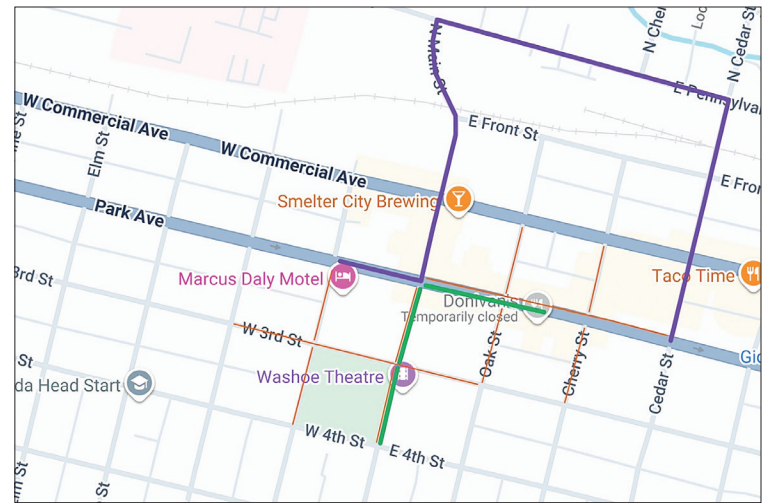

Anaconda Junior/Senior High School choir members, with Tiffany Rehbein, school superintendent, as emcee. The Rev. Ted Cox will give the invocation, and Santa will light the tree at 6 p.m. and then draw two Stroll Button winners.

Across the street from the Common at the Elks Lodge will be the Festival of Trees, where more than 20 decorated Christmas trees will be up for bid at a silent auction. The viewing starts at 5 p.m. at the

Elks for the Festival of Trees, with a reception at 8 p.m., with the bidding to close at 8:30 p.m.

Live mannequins will be behind the windows of many downtown businesses, and vendors will be outside many more. There will be festive holiday music downtown provided by Jerry Lemm with Zebra Solutions. And, for the kids, Hickory House Inn will be hosting Santa for photos after the tree-lighting ceremony.

For more information about the Christmas Stroll, call the Discover Anaconda Visitors Center at (406) 563-2400.

A map shows the streets that will be closed for the Parade of Lights in orange, the detour route in purple and the parade route in green.

Christmas tree cutting permits available through the Forest Service

Coming back to Recreation.gov this holiday season, you'll be able to purchase a permit to cut down a Christmas Tree on the Beaverhead-Deerlodge National Forest. Cutting down your own tree is the perfect way to create a memorable holiday experience, share a special tradition with family and friends, and help maintain a healthy forest.

Christmas Tree Permits will be available for purchase through Recreation.gov. Sales dates for permits may vary by individual forests, so be sure to check with your local forest for location-specific information.

Where to Cut Your Tree

Your permit allows you to cut Christmas trees on the Beaverhead-Deerlodge National Forest.

Make sure you cut your tree on public lands by checking either the Southwest Montana Interagency Visitor Map or the Beaverhead-Deerlodge National Forest Visitors Map and follow road signs.

Do not cut on private land, in wilderness areas, designated recreation sites, previously thinned areas, or existing tree plantations.

Do not cut in active timber sales or areas that have been planted with new trees.

Do not cut trees visible from

major roads, within 150-feet of streams and creeks, or in other well-used areas.

Please post your permit on your dash.

Selecting Your Tree

Each forest has limitations on the size of the tree you can cut and the species of trees that are permitted. See below to help you measure and choose a tree that meets your permit's guidelines.

Prohibited Tree Species: Whitebark Pine or White Pine (5-Needle Pine).

For identification information, visit: <https://fieldguide.mt.gov/displaySpecies.aspx?family=Pinaceae>

Tree Height: 12 feet maximum; Stump height: 6 inches maximum.

Take the whole tree. Cutting the tree top off is prohibited.

If snow is on the ground, remove it from around the stump so you can accurately measure the stump and tree height.

Cut the leftover branches from the stump and scatter them.

Planning Your Trip

How to Plan Your Trip

Before you leave home, be sure to measure the space where you plan to place the tree in your home (height and

width), and measure the space in your vehicle where you will be transporting the tree.

Cell service may be spotty or unavailable. Be sure someone knows where you are and when to expect you back.

Check the latest weather conditions, forest warnings and road closures before you leave on your trip.

Bring a map with you. Don't rely on GPS because it may not be up-to-date with forest service roads.

Dress warmly and take extra dry clothes. Expect winter weather, including cold temperatures, snow and wind.

Roads may not be plowed. Carry tire chains, shovel(s) and a tow chain. Be sure your vehicle has a full tank of gas. Bring a spare key and give it to someone else in your party. Don't get locked out of your car.

Park in areas so that traffic can get by safely, and do not block gates.

Bring plenty of food and water with you as well as an

overnight survival kit in case you become stranded.

Start your day early. Be sure to find your tree and leave the woods before dark.

Helpful Cutting Tips

Carry your tree carefully out of the woods. Dragging the tree will rub off needles and bark.

If the tree is too big to transport inside of your vehicle, wrap it in canvas to prevent wind damage.

Once home, cut the bottom of the trunk off and place the freshly cut trunk in a bucket of water. Replenish water.

If storing your tree outside for a few days before putting it in the house, keep it in an area protected from the wind, such

as the north or east side of your house or under a shaded tree.

Tools you might want to consider bringing with you include a measuring tape to ensure you select a tree that fits in your home; handsaw to cut your tree; gloves to protect your hands; boots to protect your feet; a tarp to sit on and/or to move your tree once it's cut; and rope or straps to secure your tree to your vehicle.

Choose a tree from a dense forested area, which will give the remaining trees more space to grow.

For more information, contact the Pintler Ranger District at (406) 859-3211.

Children's Christmas Store set for Dec. 6

Gift giving is a Christmas staple and on Dec. 6 Anaconda's youth will have the chance to shop for gifts as the Women's Club's annual Children's Christmas Store returns once again.

The pop-up store will be located in its usual spot at the Ancient Order of Hibernians' Hall on 106 Cherry St. and it is set to run from 9 a.m. to noon.

Only the youngsters will be allowed entry, and they can buy up to eight gifts for moms, dads, brother, sisters, and other family members. All kids will need to bring a list of family members that they wish to buy gifts for when they come to shop. Presents will be limited to 10 each to ensure that all shoppers have enough to choose from.

As usual, no parents will be allowed in to the hall to shop with their kids. All parents in attendance are encouraged to wait in their vehicle until their child is done shopping.

The Women's Club's annual Children's Christmas Store, shown here last year at the Ancient Order of Hibernians Hall, will be back at the AOH Hall at 106 Cherry St. on Saturday, Dec. 6.

There will be an abundance of gifts for the kiddos to choose from, all of which will be just \$1. Donation are being accepted, especially men's items, home and decoration items and items for kids. Anyone can donate items of good condition to the Women's Club by bringing it to the Southwest Montana Community Federal Credit Union located at 1035 W. Park Ave.

Anaconda's Women's Club is still seeking volunteers

for this year's event. Help is needed with the setup and cleanup of the store. You may also volunteer to wrap the gifts for children as they are checking out. Police officers, dispatchers and high school students will be on hand to help as well. Anyone who wishes to donate his or her time can contact Sherrie Patterson at 406-490-8222.

All proceeds from this event will go toward scholarships for Anaconda High School seniors.

Santa had plenty of stuffed toys to give out at the Masons' "Christmas for Kids" last year, which is set to return to the Elks Lodge, as well as the Washoe Theatre and Cedar Park Lanes on Saturday, Dec. 6.

'Christmas for Kids' is Dec. 6

The Acacia Lodge No. 33 of the Masonic Temple's "Christmas for Kids" will be on Dec. 6 starting with a free movie at the Washoe Theatre at 1 p.m. Afterward, Santa

will be at the Elks Lodge at 3 p.m., and finally there'll be free bowling starting at 4 p.m. at Cedar Park Lanes. For more information, call Jim Zenahlik at (406) 560-4029.

Ladies' Night Out is Dec. 4

Copper Village presents "Ladies Night Out" the evening of Thursday, Dec. 4 upstairs at the Anaconda Elks Lodge. Admission is \$15 and an ornament or small

gift item. Delicious food and wine provided. There will be a live auction and raffles. Come join the fun. For more information, call Copper Village at (406) 563-2422.

The Anaconda Junior High School Choir sings at their holiday concert last year. They'll start this year's Christmas concert season off with a performance on Dec. 11, with concerts continuing through Dec. 18.

Hope's Holiday Fest is on Dec. 6

Hope Lutheran Church will be holding their annual Holiday Festival and soup and sandwich luncheon on Saturday, Dec. 6.

Soup and sandwich luncheon will be served from 11 a.m. to 1 p.m. for a fee of \$10 for adults, \$6 for children.

The festival will feature baked goods, crafts, white elephant gifts, a raffle and more. This event is a fundraiser to benefit the Project Care Food Bank.

Hope Lutheran Church is at 1506 W. Pennsylvania Ave. For more information, call (406) 563-7381.

Gingerbread House Workshop is a First Montana Bank Christmastime tradition

There will be lots of colorful sweet decorations available for children to use to adorn their miniature gingerbread houses at First Montana Bank, which is bringing back its Gingerbread House Workshop in the lobby at the Main Street branch, 123 Main St. at a date and time to be determined. The date and time will be announced when they have been set.

First Montana Bank will provide the miniature

gingerbread houses already assembled and ready to frost, along with plenty of sweet white frosting and a wide assortment of colorful candy decorations for kids to create their own confectionery cottages.

Elves will be on hand to help the younger children with their gingerbread houses. Bring your camera to capture a photo of your child with the elves for a keepsake photo.

Gifts with a Lift Program spreads holiday cheer to MSH patients

The Department of Public Health and Human Services (DPHHS) has announced the

launch of the annual Gifts with a Lift program, now in its 73rd year. This program, which is

jointly coordinated with the National Alliance for Mental Illness-MT (NAMI-MT), ensures every patient at the Montana State Hospital (MSH) receives a gift this holiday season.

Gifts with a Lift relies exclusively on the generous support of Montanans across the state and is deeply appreciated by the patients it serves.

"Each year, the MSH Gifts with a Lift program helps brighten the holiday season for those who are away from family, friends, and their communities," said Sherry Spear, Gifts with a Lift coordinator. "Thanks to the

generosity of our neighbors, the program continues to be a great success year after year. The staff and patients at MSH cannot express enough how grateful we are for the kindheartedness of the people of our great state."

MSH is Montana's only publicly operated inpatient psychiatric hospital, providing treatment to adults with serious mental illnesses.

Gifts must be dropped off or mailed by Dec. 8 to ensure they arrive in time for the holidays. MSH is especially in need of new winter coats for men and women in sizes M-3X (larger sizes are preferred; please exclude hoodies). Other gift

suggestions include pocket games/books, socks, T-shirts/sweatshirts, cards, winter wear (such as hats, gloves, and jackets), magazines, slippers, blankets/throws, handheld AM/FM radios, and stationery.

Gifts mailed to the hospital should not be wrapped. To properly acknowledge all gracious donors, please be sure to include a return receipt along with your name and address with the gift.

Gifts or cash donations (checks payable to "Gifts with a Lift") can be mailed to: Gifts with a Lift, c/o Sherry Spear, PO Box 300, Montana State Hospital, Warm Springs, MT 59756.

Individuals or service organizations interested in "adopting" a patient are encouraged to contact Spear at (406) 693-7296.

Gifts can also be dropped off at locations across Montana, including two in Anaconda-Deer Lodge County, one in Powell County and one in Butte-Silver Bow County:

- In Anaconda at the Anaconda-Deer Lodge County Courthouse's MSU Extension Office, Third Floor, 800 Main St., Anaconda, MT 59711. Contact: Paula Arneson, 406-563-4035.

- In Butte at Steele's Warehouse, 800 S Wyoming, Butte, MT 59701. Contact: Sherry Spear (406) 693-7296.

- In Deer Lodge at Christ Fellowship Church, 600 4th Street, Deer Lodge, MT 59722. Contact: Mary (214) 543-2811.

- At Warm Springs, Montana State Hospital, PO Box 300, Warm Springs, MT 59756. Contact: Sherry Spear, 406-693-7296.

For Helena's drop-off location at the Behavioral Health Division, call Cindy Dallas at (406) 444-3907. For Billings' drop-off site at the Rainbow House, call Kathy Drinkwalter at (406) 252-7851. For Bozeman's at the Help Center, call Bozeman NAMI at (406) 763-6270. And for drop-offs in Missoula, call Shawn Gray at (406) 880-3173. Donations in Missoula must be received by Dec. 6.

Signups for food bank's Christmas baskets run through Dec. 12

Signups for the Project Care Food Bank's Christmas baskets will be from the day after Thanksgiving until Friday, Dec. 12. There are several places to sign up and the cost is free. Sign up at either the food bank in St. Peter's Church (open Mondays and Thursdays from 1-3 p.m.), the Anaconda Thrift Center, the Anaconda-Deer Lodge County Public Health Department or

Gateway Christian Fellowship. Pickup will take place on Tuesday, Dec. 16 between 10 a.m. and 2 p.m. in the Raymond G. Hunthausen Center at the Holy Family Church. Call Terry Vaughn at 406-560-5785 for more information. The food bank asks that you only sign up for either yourself or your household.

The Project Care Food Bank's Christmas baskets fill the Raymond G. Hunthausen Center ahead of last year's pickup. Signups for this year start Nov. 28 and run through Dec. 12, with pickup on Dec. 16.

Hearst Library Christmas Tea set for Dec. 14

The Friends of Hearst Free Library's Christmas Tea will be held on Sunday, Dec. 14 from 2-4 p.m. upstairs at the library. This is a free event, held annually as a thank-you for the library's patrons. There will be stories, music, refreshments and, of course, tea. Hearst Free Library is located at 401 Main St. in Anaconda. For more information, call the library at (406) 563-6932.

There's always plenty of goodies at the Friends of Hearst Free Library's annual Christmas tea, as seen here at last year's tea.

Toys for Tots to hold Toy and Food Drive at Albertson's Dec. 5

The Toys for Tots operation in Anaconda is underway, and the annual collection of toys for many girls and boys in the Smelter City is set to have its biggest event of the year on Friday, Dec. 5 at Albertson's Supermarket at 1300 E. Park Ave.

That's where the Marine Corps League "Private Mike" Detachment 1380 will be partnering with Albertson's to collect toys

as well as donations for the Project Care Food Bank in Anaconda. Customers at the checkout stand will have the opportunity to donate a new, unwrapped toy, and if they do so they will be provided with a bag of food that they may either choose to keep or may donate to the food bank.

Also, Stokes Market is collecting for Toys for Tots through the first part of December.

Toys for Tots, a program run by the U.S. Marine Corps Reserve for the past 75 years, is seeking donations of new, unwrapped toys.

While in the past, families looking to sign up for Toys for Tots would have to do so with paper applications, that's no longer how it's done. Applications instead are processed on the website Anaconda-MT.ToysForTots.org. There also are Toys for Tots posters around town that have both the name of the website and the QR Code that people can scan with their phones to take them to the site. The cut-off date to register is Wednesday, Dec. 17. Toy distribution day is Saturday, Dec. 20.
